

## Reasons to choose Atlantic Beach Golf and Leisure Club:

- Our mission is to make your special day as memorable as possible.
- With service and style we will make sure you enjoy a flawless event that will be remembered by all.
- If you don't want to get married in a church, but want something special.
- Once you've counted family and very close friends, and discover you will need the venue to hold 120 people comfortably (ceremony and reception).
- You want everything in one place so people don't have to drive between venues - meaning people could relax, and have a glass of wine.
- One glass of wine sometimes leads to another, so if you wanted everyone to be able to either stay at the venue or close by we have The Lodge @ Atlantic Beach and several Guest Houses or Self-Catering Accommodation on the estate. Guests are offered reduced rates at The Lodge @ Atlantic Beach, not to mention the Honeymoon suite is complimentary on the evening of your wedding.
- Maybe you'd like to accommodate all your guests with a space for people to sit and talk away from the noise of the evening reception, without being isolated from it? The Terrace is a perfect extension in the evenings with chairs and tables, a burning fire or if you prefer, coffee tables and loungers.
- We offer an array of menus and a Chef to ensure that the culinary experience is as spectacular as the venue!
- Combine all of the above and you will have The Whole Package in one go: A venue that could host the ceremony and the reception, as well as provide the food, drinks and accommodation.
